

Welcome ST1s

We are pleased to welcome you on behalf of the Plymouth VTS. We hope you are very happy here and find that your training is inspiring, comprehensive and makes you into great GPs of the future.

Don't miss the

ST1 Introductory Afternoon

Wednesday Aug 26th 2015

1pm, Baylis Conference Suite, Plymouth Science Park

See this link for directions:

<http://www.plymouthsciencepark.com/contact/park-site-map>

The afternoon will give you the chance to...

Meet the team

Meet your peers

Find out how to feed an e-portfolio

Ask those tricky questions

Find out what the future holds for you
(maybe some of it anyway)

.....and so much more

Book your time off now

The timing is flexible but it would be best if you could book the whole afternoon off.

Also make sure you're registered with the RCGP so we can have a go at looking at your e-portfolio – bring a mobile device (tablet / phone etc.) as we can access it if you do (you can share if this isn't possible)
