

Abbey Rise, Tavistock PL19 9FD Tel: 01822 613517

**GP Locum sought for Tavyside Health Centre, Tavistock, Devon**  
**4-6 sessions PW commencing September 2020 for maternity cover**

Tavyside is a rural practice situated in a small market town on the edge of Dartmoor, with a branch surgery at Lifton, we are seeking a Locum GP to join the practice for up to four – six sessions per week.

The list size across both sites is 12,500 patients and expected to grow. Tavyside is a training practice and jointly manages the community beds at Tavistock Hospital.

We are looking for a motivated and enthusiastic doctor to join our team on a Locum basis for maternity cover. We currently have 8 GP partners and employ four salaried GPs. We are supported by a highly skilled and committed Management, Nursing and Administration Team and pride ourselves on our very 'open door', team orientated ethos. We have purpose built buildings in both Tavistock and Lifton.

The appointed GP will be expected to work from either site. Our clinical system is EmisWeb.

If you feel you have the qualities, motivation and attention to detail to become part of the Tavyside team we would love to hear from you. We welcome Informal visits by prior arrangement.

Applications including full CV and details of two referees should be sent to Sarah Evans; Practice Manager; [sarah.evans92@nhs.net](mailto:sarah.evans92@nhs.net)
